Open to the community!

Presented by:

The Ready for Shushan-Time Players

(Har HaShem's Rabbis, Staff, Dramatic Board Members and Other Wanna Be Actors)

The following are accurate and totally true quotes from those who did not come to past Adult Megillah Readings and Purim Spiels:

"They were cross-dressing and telling dirty jokes on the bima last year at the Purim Spiel? Man I wish I had been there!"

"If I had known that Har HaShem staff and board members would be slightly intoxicated and making fools of themselves, I would have never missed the Adult Megillah Reading!"

Don't have regrets! Come to Shushan - Har HaShem style!
You are my Shushan queen! Bring your dancing shoes and obnoxious noisemakers, sit right back and enjoy the show!

Following the show join us for Hamentaschen, schnapps and fellowship.
(The first 300 attendees will get the good seats).
